SMART SHOWER

The world's only walk-in shower and bath™

S2B Smart Shower™ is an elegant and luxurious shower that is a visually streamlined and ergonomic walk-in shower with no visible bath present, but when needed, the shower easily and conveniently converts into a bath.

The innovation is:

- **Elegant and clever in design**
- **Luxurious and comfortable**
- **Space saving**
- **User-friendly and practical**
- **Safe and ergonomic**
- **Cost effective**

The innovation is protected by a Patent Application.

Please contact us to discuss the commercial opportunities available for your business or to purchase the S2B Smart Shower.™
